### *Jane Roe - Now Pro-life*

Norma McCorvey was the "Jane Roe" of the Roe vs. Wade Supreme Court decision that legalized abortion in 1973. Now, she has become completely pro-life, and works to overturn the decision she technically won. Fr. Frank Pavone, National Director of Priests for Life, confirmed Norma as she entered the Church in 1998. Norma says, "I thought that I wanted to have an abortion with the baby that I was carrying, but I had no idea that it would lead up to such a controversial issue. I didn't know that there was two sides to the abortion issue. I didn't attend any of the court proceedings. In fact that's why I used the name Jane Roe because I didn't want my own personal name to be involved in it. Since August 8, 1995, I have been pro-life clear across the board. Abortion is totally wrong. I was the Jane Roe of Roe vs. Wade, but Jane Roe has been laid to rest."
